Sincerely,

Please feel free to contact John Stover at (303) 966-9735 if you have questions or would like additional copies of the report.

Enclosed is a copy of the Model Code and Scenario Selection Report, Site-Wide Water Balance, Rocky Flats Environmental Technology Site, Final, Revision 1, 01-RF-01291, dated May 31, 2001. The Report presents the Model Code and Scenario Selection process and results. The revised Model Code and Scenario Selection Report incorporates comments received on the previous version of the report, dated February 19, 2001, and an updated land configuration and climatic scenarios section. This report will also be placed on the Rocky Flats Environmental Data Dynamic Information Exchange (EDDIE) website.
